

The Director of Central Intelligence

Washington, D.C. 20505

Executive Register

83-5253/6

1 November 1983

Dear

STAT

This may elaborate a little on our phone conversation today. You will be interested in the historical postscript which relates what is going on today with events in which you were involved at the time of the Churchill speech at Westminster and up to the promulgation of the Truman Doctrine.

It was good to talk to you today.

Yours,

William J. Casey
